Sales Professional:

Introducing the latest custom masterpiece by Joseph Douglas Homes – a one-of-a-kind ranch home meticulously designed to fulfill the specific desires of homeowners. The modern farmhouse exterior boasts stone accents, vertical siding, and a distinctive metal roof. Inside, a soaring cathedral ceiling connects the foyer to the dining area, alongside a family room with a stone fireplace and a captivating kitchen featuring integrated appliances. The master suite holds a hidden gem of a bathroom with a centerpiece tub, while a second bedroom suite, conveniently located by the garage, awaits guests. The custom basement finish adds an exciting dimension – a dynamic game room for leisure and entertainment, enhancing the home's overall allure.
