Introducing the 2024 Designed Crestwood: a split bedroom ranch offering 2,607 square feet of luxurious living space. The home features a stunning foyer that leads into a spacious great room, bayed dining area, and highly functional kitchen. With 10-foot ceilings and transom windows, the main living area is bathed in natural light, creating an inviting and airy atmosphere. The well-appointed kitchen boasts a walk-in pantry and central island, perfect for family meals and conversations.

The opulent Master Suite includes a tray ceiling, deluxe bath, and expansive walk-in closet, providing a tranquil retreat. On the opposite side, two generously sized bedrooms and another full bath await. A conveniently located mudroom and laundry room are off the garage, catering to today's active lifestyle.

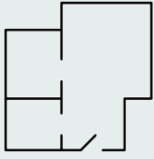

This meticulously designed split bedroom ranch combines elegance and functionality, offering a sophisticated living experience.
