Sales Professional:

Introducing the Birmingham, designed to incorporate the most sought-after features into one elegant design. In addition to the Master Bedroom, the first floor includes an extra private bedroom suite, perfect for an adult child, parent, or long-term guest.

You can choose between a 10-foot ceiling or a cathedral ceiling in the kitchen and great room area. The Master Suite offers a luxurious bath complete with a pedestal tub, a two-person tile shower, and a private coffee bar conveniently located for your enjoyment.
