Sales Professional:

Meet the Lancaster. Not unlike our other versatile home plans the Lancaster works exceptionally well in a traditional classic, craftsman, prairie, modern farmhouse, and even french county home styles!

This popular split bedroom ranch has been updated for 2023. Designed for contemporary living. Its split bedroom layout, Study, and Dining Room create a modern lifestyle flow. With transoms, 10-foot ceilings, and 2,358 sq. ft., this home feels spacious.

Relax in the luxurious Master Suite with his and her vanities and a corner tub. The design creates a private oasis. A rear foyer off the garage offers easy access to a powder room, mud room, and Laundry Room, catering to busy households. The Lancaster plan emphasizes organization with abundant storage solutions.

Thoughtful closets, nooks, and optimized space maintain a clutter-free, serene atmosphere. Experience the blend of style and functionality in the Lancaster floor plan. Crafted for elevated living, it's a harmonious home for your family.

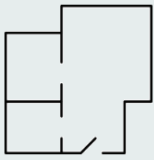

This home has been built with a 4th bedroom, a luxury Master Suite, a study and even a sunroom making it extremely customizable.
