

The YORKSHIRE

3,100 Sq.Ft.

4 BEDS

2.5 BATHS

Two Story

SPECIAL FEATURES

Rear Multi Opt. Space
Covered Porch
Messy Kitchen

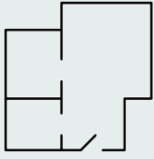

Sales Professional:

The Yorkshire is a traditional Two Story home with all the bedrooms on the upper level. This floor plan certainly takes advantage of that arrangement. The first thing you'll notice is the kitchen island is massive which looks into a Great Room that is much larger than traditional offerings into this open concept plan. The latest amenities have been fully incorporated into this plan. Most notably, the "Dirty Kitchen" provides a landing space for your most often used appliances just out of eyeshot of the kitchen. Also note the pantry is exaggerated in size because you never have enough storage space for all those purchases from the big box stores.

This home is optimized for growing families and efficient modern living.
